Since 1975, Bob's Crane Service, a family owned business, has been serving the Quad Cities and surrounding areas supplying crane and lift equipment rentals.

Bob and his wife, Shirley, have grown the business and expanded significantly into what the business is today- a company that cares about it's customers and their needs and offers a wide variety of crane and lift equipment rental. With their two sons, Bret and Brad, heavily involved in the business, there's always someone to assist you with your rental needs in a timely manner.
